

# Science of Stability

3<sup>rd</sup> Annual Conference

3<sup>rd</sup> – 5<sup>th</sup> October 2017  
Crowne Plaza Hotel – Blanchardstown, Dublin, Ireland

---

## Tuesday

<b>From</b>	<b>To</b>	
17:15	18:15	Registration
18:15	18:30	Welcome & Opening Remarks
		Accelerated Stability Assessment Program Workshop Chair: Dr. Ken Waterman
18:30	19:15	Introduction to the Accelerated Stability Assessment Program Dr. Sabine Thielges, Novartis, Switzerland.
19:15	19:35	Accelerated Stability Assessment Program – Case Study for a tablet drug product Helen Williams, AstraZeneca, UK.
19:35	19:55	Risk-based predictive stability study to support the formulation switch from powder for reconstitution to suspension Ellen Verheyen, Janssen Pharmaceuticals, Belgium
19:55	20:15	Case Study: Applying Accelerated Stability Assessment Program to Excursions, Formulation and Process Changes Dr. Garry Scrivens, Senior Principal Chemist Pfizer, UK
20:15	20:35	Accelerated Stability Assessment Program – Case Study for a Gelatin Capsule Drug Peter O’Connell, Cuspor, Ireland
20:35	21:00	Panel Discussion: Use and Implementation of Accelerated Stability Assessment Program Panelists: Dr. Garry Scrivens, Dr. Sabine Thielges, Helen Williams, Ellen Verheyen & Peter O’Connell
